# Connecting with extraordinary

At Luminique, we believe that art has the power to transform spaces, evoke emotions, and create unforgettable experiences. With a passion for creativity and a commitment to excellence, we specialize in providing bespoke artwork solutions for developers, hotels, interior designers, restaurants and also for private art lovers worldwide.

We work solely with local artists and all our works are genuinely handcrafted by talented artists around the world.

# Local Artisan Focus

One of our core values is to support local artists and artisans. We are passionate about promoting the talents of artists within our community and showcasing their work in projects around the world.

# Creative Solutions

Whether it's a large-scale hotel renovation or a boutique development project, we offer creative solutions tailored to meet our clients' specific needs and objectives. From paintings and sculptures to murals and installations, we have the expertise to bring any artistic vision to life.

Luminique

**At Luminique, art is more than just decoration — it's a reflection of our clients' identities, values, and aspirations. We are dedicated to helping developers and hotels create spaces that inspire, captivate, and leave a lasting impression on guests and visitors alike.**

# Creative Concept Development

**We believe that the key to successful artwork solutions lies in creative concept development. Our team of experienced designers and art consultants collaborate closely with clients to develop concepts that are not only visually stunning but also conceptually rich and meaningful. Whether it's drawing inspiration from local culture, history, or nature, we ensure that each artwork tells a story and resonates with its audience.**

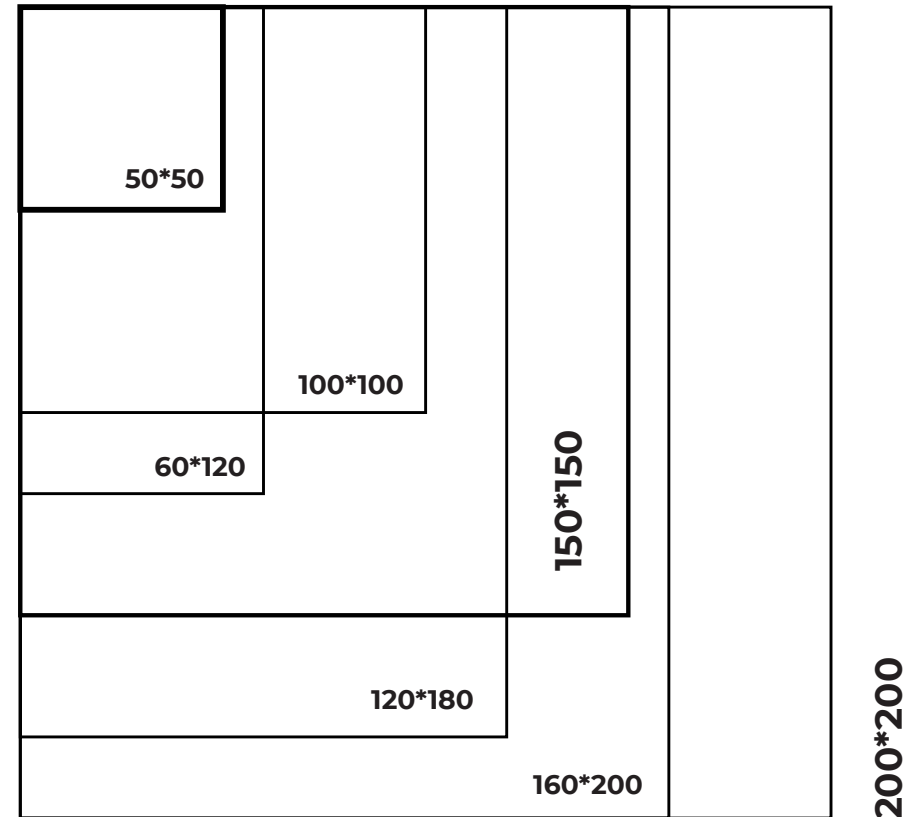

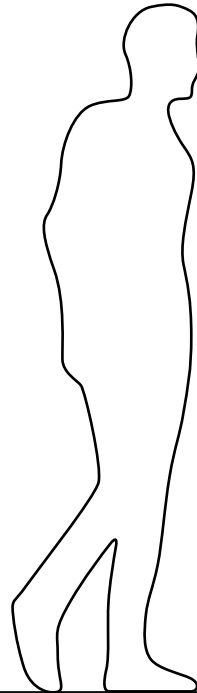

# Our benefits

# Sizes of canvases

You can choose our standard sizes of canvases, but there is also always the opportunity to make unique sizes to suit your unique interior.
